

ABOUT CHRISTY SPORTS

At Christy Sports, we help people step outside. Outside the predictable and expected walls of their comfort zone, and into a never-ending journey. We were founded in Colorado in 1958, but we've been chasing adventure for much longer. Skiing and snowboarding isn't just a job for us, it's a lifestyle. No matter your level, we strive to give you the best experience possible and invite you to step outside with us.
